# REVIVE ISRAEL

רביבי ישראל

Dear Friend of Revive Israel,

We are nearing the end of ‘Counting the Omer’, the 50 days from Passover until the Feast of Weeks (Shavuot/Pentecost) that is celebrated this year 16-17 May. As believers in Yeshua, we are very aware of its significance- the time between the resurrection and the outpouring of the Holy Spirit at Pentecost.

Yeshua promised His disciples: *“And now I will send the Holy Spirit, just as my Father promised. But stay here in the city until the Holy Spirit comes and fills you with power from heaven.”* (Luke 24:49)

We are excited and look forward to God fulfilling His promises to His people, in Israel, and all over the world!

## Meet the Team: Bill and Holly Wallace

Bill, Holly and their family have been connected to Asher and Betty Intrater since 1986 when they started attending El Shaddai Congregation in Frederick, MD. They have been working behind the scenes to support the vision of Revive Israel from the beginning.

A retired firefighter with the District of Columbia Fire Department, Bill currently oversees the sales and distribution of books for Revive Israel, in addition to packing and shipping book orders for Tikkun International. He also works with the Israel office to help develop the annual Revive Israel budget. His administrative skills make him a valuable asset to the team.

Holly has filled a variety of positions through the years. Her current role is liaison between the US and Israel offices. She communicates with ministry partners, helping connect them to the team. She helps catalogue Asher's teachings, speaks on behalf of the ministry and enjoys connecting people to what God is doing in Israel today.

Bill and Holly have three grown children and six grandchildren. They currently reside in North Carolina, USA. To find out more, click on the video links below

## RI Farm Discipleship Center Update by Valerie Yanay

Since completing our previous program, farm work and activities have continued throughout the month. We have worship evenings on Tuesdays, open for all. Many of the students who completed the course are participating, and we are so happy to remain in contact with them.

We are also continuing our weekly meetings for believers and non-believers coming from different backgrounds.

One of our friends, who is from a Jewish ultra-orthodox family, was recently baptized in water! We rejoice with her as she committed her life to Yeshua and is already experiencing breakthrough in different areas.

She will participate in our upcoming 5-day women's retreat with the theme: *"Come and fill your lamps with oil"* from 6-10 June 2021. During this time, we will study 5 women in the Bible, drawing strength and wisdom from their lives. We welcome your prayers for this event, as we know, ONLY God can truly make the change!

Other future events that we are trusting Him for at our center:

- A leadership internship in August 2021
- A three-month discipleship program October-December 2021

Thank you for partnering with us, in whichever way the Lord shows you, in these projects.  
We so appreciate your love and friendship.

# Update from Hevruta, our Jerusalem base

by Sarah Singerman

Thank you for your prayers for our downtown Jerusalem base! Here are a few updates and prayer points:

Youth and young adult fellowship gatherings - which include worship, Bible study, discussions and hikes in the beautiful Judean hills - are continuing. It has been a great joy to see the young people's excitement to be together again after coronavirus restrictions have been lifted.

As we seek to build the team and community in the downtown area, several team members are moving to Jerusalem to join the base. I moved there recently, and Asher and Betty Intrater will be moving in this summer.

Please pray for several matters in the visioning stage:

I. We are very happy currently in our home base in "Hevruta", the Blumenthal house in the neighborhood of Nachla'ot, in the downtown center. However, we will need a long-term ministry base including a media studio and meeting place in Jerusalem. Please be praying with us for the right location to open up.

II. Zion Foundations: A vision for a **B&B business** that will be run by the Jerusalem base, welcoming visitors and ministry partners to Jerusalem.

III. For many years it has been on our heart to start a **Messianic Bible School**, and we are moving forward in planning and discussing it with various local leaders. We appreciate your prayers with us!

# Revive Israel/ Tikkun Global Asia Teams Update

Many Asian churches in recent decades have experienced dynamic growth, leading to national transformation. This has not been without much cost in terms of sacrifice and persecution. This Kingdom wave has a general geographic direction – it points westwards towards Jerusalem.

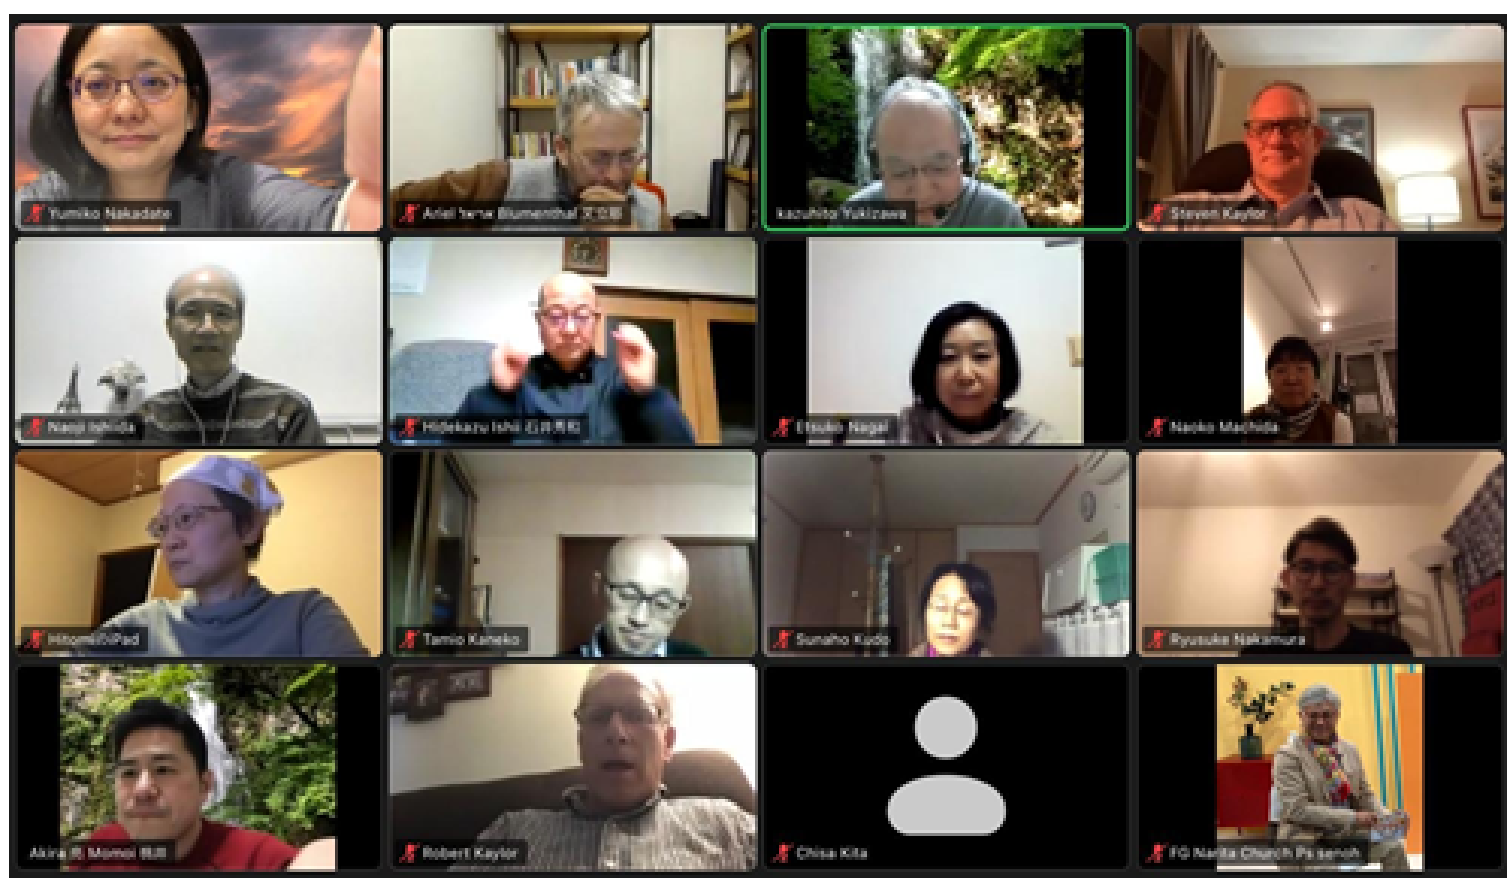

Revive Israel/ Tikkun Global relates closely to our teams and partners who have a key part to play in this Kingdom dynamic: in Hong Kong, Japan, Singapore-Malaysia, South Korea, Taiwan, Thailand. Here are some example reports from 3 teams:

## Hong Kong Team:

“The HK team is intensively doing online equipping for Chinese speakers. Key topics include “All Authority”, “One New Man” and “the End Times” etc. We have developed a new online platform for resources in Chinese, including videos, e-books, and course materials. There is also increasing synergy with other Asia partners, especially in Malaysia/Singapore”.

For more information about resources in Chinese, please go to: [Echad.synology.me](http://Echad.synology.me)

The Hong Kong team also produces a beautiful range of contemporary Jewish/ Bible themed watches, which can be purchased at: [www.revival-time.net](http://www.revival-time.net)

## Tikkun Japan Partnership Update:

“We have regular Live Zoom meetings with Ariel and people from different parts of Japan, share weekly devotionals written by Pastor Yukizawa introducing Jewish Biblical roots, and continue to work on translation of Revive Israel newsletters and provide video subtitles for Global Broadcast messages”.

## Taiwan Team Update:

In Taiwan, we have recently published Asher’s “All Authority” and Ariel’s “One New Man” and hope to soon publish “Heroines”.

We have also gathered with the Eagle project Taiwan team every month for prayer, worship and fellowship. This team is composed of young people from various churches. Evgeni from Haifa, Israel (Shavei Tzion Congregation) also regularly teaches these young members online.

Because we share the teachings of Israeli Jewish Messianic leaders through books, we hope that the young people in the church in Taiwan will understand the importance of connecting with the spiritual family in Israel. This will enable us to have true love in Jesus Christ, developing into real and pure relationships.

TO GOD BE  
ALL THE GLORY!

*Thank you for being partners together with us as we all seek to help establish Yeshua’s Kingdom on the earth!*
